

# Homework Cover Sheet

Assignment #: Homework 3: MLP- Classifying disease and neutral indels using Multi-Layer Perceptron

Your name: Edith Flores

- **Please acknowledge below all significant forms of aid you give or receive**
  - Yes, even the professor! Yes, even the tutors! No, not the course texts.
  - It is best to fill this sheet out as you go so you don't forget
- If you are found to have given or received inappropriate aid...
  - Cited: minor grade adjustment, discussion clarifying expectations
  - Uncited: disciplinary action from the Office of the Dean of the College, final grade reduced, failing grade for repeat or egregious offenses.
  - Please see the syllabus for more details
- When this form is complete
  - Select File > Download as > Portable Document Format (PDF)
  - Include the downloaded file with your submission

*I affirm that the below is an accurate description of significant aid I both gave and received on this assignment.*

Collaborators/Sources	Help Given/Received
Noah	I asked Noah what Standard Deviation did he get because I was not sure if mine was too large.
Prof. Hu's Code	I used the code Prof. Hu provided in class to see how that code ran mlp. Making sure I was running mine correctly.
WEKA	I downloaded and ran the original arff file using WEKA to see what came up.
Prof. Hu	I asked whether log was the default or if in this case we used softmax as the default. I used log.
